

EXPERIENCE LIFE ON CAMPUS

Come for a visit and explore.
The best college experience starts with
a great campus.

UNIVERSITY | **WNE**

PICTURE YOURSELF HERE

Sitting in your room at home, you may imagine what life will be like living on a university campus. Where will you live? Who will you hang out with? And most importantly, what kind of food choices will you have in the dining hall?

SEEING IS BELIEVING. REALLY.

But don't just picture yourself here, come experience our amazing campus in person and take a photo while you're at it. In fact, during our campus tour, we encourage you to snap a pic at one of our designated "Selfie Stations," such as our famed Golden Bear statue. When you upload it at #WNESPIRIT at the end of your tour, we'll give you a Western New England University t-shirt as a memento of your visit.

GET A TASTE OF REAL FOOD ON CAMPUS

Over at our dining facilities, the next best thing to home cooking is our "Real Food on Campus," offering a wide variety of dining options from home-style cooking to vegan. When you're on the go, you'll find plenty of choices at Starbucks' Café, Subway, the Food Court, and convenience store.

Our Campus Center includes a bookstore, café, Starbucks, food court, and convenience store to stock up on late night snacks.

MAKE OUR TRADITIONS YOURS

From showing your class pride at the Clash of the Classes at Midnight Madness, Grilled Cheese Nights during finals, to the Friends and Family Weekend Bed Race, participation in our traditions makes you a lifelong member of the Golden Bear family.

JOIN A CLUB

WE'VE GOT 70.

Whether you will live on campus or commute, there are plenty of clubs, organizations, and associations to get involved with as an active participant in our learning community. Think you're a comedian? Try out for our Improv on the Rocks comedy troupe. Looking to learn how to plan a sports event? Join the Sport Management Association. Eager to show incoming first year students the ropes of campus life? Then become a Peer Advisor.

LIVING ON CAMPUS

FRESHMAN YEAR FINDING COMMON GROUND

Your first on-campus living experience will be in one of the University's residence halls for underclassmen: Berkshire, Commonwealth, Franklin, Hampden, or Windham Hall. They are air conditioned, coed facilities. Most have double occupancy rooms with multipurpose lounges, kitchenettes, and laundry rooms. Two floors of Commonwealth Hall are also reserved for first-year students.

You'll have a lot to say about your living arrangements. Through our online roommate matching program, you can find a roommate and select a community with a theme focusing on Engineering & World of Sciences; Next Generation of Leaders; Learning Today, Shaping Tomorrow; or Healthy Choices, Creative Living. You'll be involved in your residence hall by joining activities offered throughout the year.

LIVING THE "SUITE" LIFE

SOPHOMORE YEAR

By sophomore year you'll be ready for a lifestyle that offers more independence. You may choose Plymouth Complex, circular-shaped halls where you and three other students share a suite consisting of a full bath and two double occupancy rooms that open to a central courtyard.

Another great choice is the LaRiviere Center, our living and learning facility, which accommodates six or eight students in a suite with bedrooms, two bathrooms, and a living room. The LaRiviere Center also features a computer lab, multipurpose recreational and meeting space, study rooms, and classrooms. You'll be given priority consideration for assignment by forming theme communities based on similar academic interests or other topics.

A third option is Commonwealth Hall. Its corridor style living also features multipurpose recreational and meeting rooms. As space permits, sophomores may also live in Gateway Village with apartments designed for two to six students.

JUNIOR & SENIOR YEARS

WELCOME TO THE NEIGHBORHOOD

Imagine this: decorating your own space, grocery shopping, cooking meals, and managing a household with your friends. That's what awaits you in Gateway Village apartments, the Evergreen Village townhouses, or the eco-friendly Southwood apartment complex. These independent living residences featuring full kitchens, living rooms, bedrooms, and baths offer upper-class students an ideal environment for learning the skills needed to live on their own after graduation. Residents of Evergreen Village enjoy a well-equipped community center while Southwood students learn important lessons about "green" living.

WHAT'S GOING ON TONIGHT? PLENTY.

Music, games, comedy, movies, trips... whatever you're into Western New England University has it going on. The hard-working students at CAB, our Campus Activities Board, pack our calendar with plenty of programming and events to help you unwind and meet new friends. Take the stage to share your poetry. Win great prizes at Big Prize Bingo nights. Hop a bus headed to NYC for a Saturday. Head to the slopes of Mount Snow. Or burn off some steam on an intramural team.
