

Checklist of Important Dates Academic Year 2018-2019

MAY

- May 1:** Preferred deposit deadline for all incoming students. An admissions response form must be completed along with a deposit of \$400 for resident students and \$100 for commuter students. Once you complete your response form and deposit online on your Admissions Status Page, you will officially be a Golden Bear!
- Week of May 1**
Summer Orientation and Registration (SOAR) registration will go live on May 2, 2018. You can sign up for the session of your choice on your Admissions Status Page. More information will be available online at wne.edu/soar. The earlier you register for SOAR, the better chance you have of securing your SOAR session of choice (dates are available on a first-come first-served basis), and the sooner we can begin preparing for your arrival.

We strongly encourage students and parents to attend and engage at SOAR. Not only will you meet new friends (and possibly your future roommate) and make fun memories, but you will be provided with tools and resources you'll need to be successful when you arrive in the fall. You'll register for your classes, learn about various areas of support on campus, receive your summer reading assignment, and discuss strategies for adjusting to college.
