

Western New England University

Smoking Policy

In compliance with Massachusetts Smoke-Free Workplace Law, M.G.L. Ch. 270 §22, the University is instituting a new smoking policy. This policy prohibits the use of any smoking paraphernalia, including electronic cigarettes and/or vapor smoking devices, within 25 feet of any University building, its entrance or windows. Furthermore, no smoking is permitted within any University building.

The University anticipates the full cooperation of its students, faculty, staff, vendors, and visitors as to their compliance with this policy.
