We've partnered with CEI to bring you Preceptor Continuing Education!

With the CEImpact Preceptor Library, preceptors gain access to online resources, practical tools, continuing education and group discussions to advance teaching skills and engage students and residents.

- **Continuing pharmacy education (CPE) courses** to strengthen your skills in teaching students and residents
- **Login To Learn, a monthly, virtual journal club**, allowing you and your student to review and evaluate a clinical, primary literature article together.

Second Wednesday of every month, 12noon - 1:00pm (central) and available on-demand the following week
Receive 1.5 hours of CPE credit for each journal club!
