## GENDER NEUTRAL SUPPLEMENTAL HOUSING AGREEMENT

I understand and agree to the following conditions/expectations for GNH:

\*I will be responsible for upholding the standards of the community which are in congruence with the core value of respecting and valuing all persons. I seek to learn from diverse experiences and perspectives. I understand that the vision and purpose of Gender Neutral Housing is to provide a community that is a safe space for all persons regardless of their gender identities, gender expressions, and sexual orientation.

\*I understand that I am making a commitment to live on-campus for the entire academic year.

\*If I live in a gender neutral two or three bedroom apartment, it is my responsibility to fill any vacancies within my living space with a currently matriculated student should a roommate move out. Should that not happen within 14 days, and if the departing roommate's absence leaves the apartment as a single gender apartment, Residence Life may place a matriculated student into the apartment that is of the same gender as you, no longer qualifying your apartment as "gender neutral".

\*It is expected that I will complete an apartment agreement with my Resident Advisor during the Fall semester. Should there be a room change within my unit, I understand that I will be expected to update the agreement with my Resident Advisor within one week of a new roommate taking occupancy.

\*I will respect and safeguard the privacy and personal space of my roommate(s).

\*I agree to attend community meetings when scheduled. Additionally, I agree to participate in evaluations and provide honest and timely feedback as the Residence Life staff works to evaluate the continued success of Gender Neutral Housing.

\*I understand that I am fully responsible for following all University policies and procedures as outlined in the Graduate Student Housing Agreement as well as in the Student Handbook.

\*I understand Residence Life reserves the right to make changes as it deems appropriate.
