This is not an articulation agreement. This chart should serve as a reference for Berkshire Community College students who eventually plan to transfer to Western New England University. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England University. Please reference our University Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

* The following Berkshire Community College courses will count towards satisfying Western New England University’s general University requirements: Any economics course (one) or GOV 105 United States Government or GOV 135 The Constitution & Civil Rights, or PSY 107 Intro. Psychology, or SOC 105 Intro. to Sociology.

** Any Berkshire Community College 200 level biology course that does not have an equivalent course at Western New England University will be considered for transfer credit as a biology elective (up to 8 credits).
