This is not an articulation agreement. This chart should serve as a reference for Springfield Technical Community College students who eventually plan to transfer to Western New England University. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England University. Please reference our University Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

Business courses from a college not accredited by AACSB that are determined to be equivalent to 300-400 level courses at Western New England University will be considered for transfer credit (up to two courses).

** (Recommended) If both MGT 101 and MGT 260 are successfully completed at STCC, students will be given credit for MAN 101 Management and Organizational Behavior and a General Elective at Western New England University.
