Freshman Year - EXPLORE

- Make an appointment to meet with your Career Counselor to introduce yourself and learn about what you can do with your major or what majors are available.

- Identify your interests, skills, and values by completing a Career Interest Inventory such as FOCUS2 or Do What You Are
  - Meet with your Career Counselor to discuss the results
  - Register with the CareerCenter Online: www.myinterfase.com/wne/student. This is how you can make an appointment with your career counselor, learn about career events and fairs, and see employment opportunities on and off campus.

- Update your resume and upload it to the CareerCenter Online.

- Attend workshops, events, and activities sponsored by the Career Development Center and other department on campus.

- Get involved! Join a club, organization, or athletic team or participate in a civic engagement opportunity. Not only will you have a good time and meet new people, you may learn something new about yourself or strengthen a skill you didn't know you had!

- If you are part of the Federal Work Study program. Don’t wait to get a job on campus – find one as soon as possible. This will expand your network of support on campus and help you manage your time.

- Make connections with your academic advisor, faculty members, administration, your peers, and upper classmen. Maintain and keep those connections and use them when needed.

- Watch what you post on social media accounts. You never know when pictures or posts will pop up at the most inopportune time.

- Focus on your grades, do the best that you can. Asking for help is not admitting defeat, it is demonstrating that you are committed to achieving success!

- Schedule your time, and don’t forget to schedule some time for you! Things can and will get hectic, but if you stick to a schedule and keep on track with deadlines, you will remain in control.
