Do you know what happens if you die without a will? Establishing a will at the right time can ensure that all of your wishes are honored after you're gone.

Your EAP provides you and your family members with a wealth of information on the subject of wills. Some of the resources include:

- **Will Basics** - Information covering everything from types of wills, what should be included in a will, updating your will to tips on where you should keep your will.
- **FAQ's Regarding Wills** – What happens if I die without a will? What makes a will legal? Can someone challenge my will after I die?
- **Will Templates** – Will for an Adult with Child(ren)...Will for an Adult without Children...Living Will
- **Useful Forms** - Beneficiary Worksheets...Executor's Checklist...
- **Living Wills** – What is a living will? Why is it important? How do I draft and maintain a living will?
- **Valuable Information on Estate Planning** – Including an estate planning checklist...What is estate planning? ....Estate & Gift Tax FAQ...Healthcare Power of Attorney

To access these resources, and tools & problem-solving information on hundreds of other topics, simply log on to [www.HigherEdEAP.com](http://www.HigherEdEAP.com)

- Click on **Sign In** under Employee & Family Login
- Click on **REGISTER HERE** (or sign in if you have previously registered)
- Enter **Western New England University** and click on the **Continue Button** - your employer's name will appear; select the button and click **Continue**
- Create your own username and password by filling out the Registration Form and then click **Continue**. (You only need to register once.)

Simply click on the **Legal** section on the top horizontal toolbar and type **Wills** in the search box.
