

How to open an OIT work order

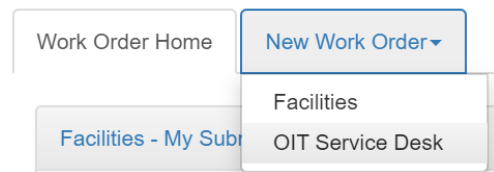

The best way to get support for anything related to Information Technology is to open an “OIT Service Desk” work order. Here’s how:

1. Login to Connect2U at <https://connect2u.wne.edu>

2. Click the blue **Workorders** tile.

3. Click **New Work Order** → **OIT Service Desk**

4. Complete the form and click the Submit button at the bottom.
