CONSENT FOR USE OF AUDIO/VISUAL MATERIALS

I, the undersigned, give my consent to Western New England University, its employees and agents, as well as its student and other constituent organizations (collectively "the University"), to take and use "audio recordings and/or visual images" of me during my performance or presentation here at the University. "Audio recordings and/or visual images" include any type of recording whatsoever including but not limited to photographs, digital images, drawings, renderings, voices, sound or video recordings, audio clips or accompanying written descriptions. I agree that the University owns the recordings and images and all rights related to them.

The recordings and/or images may be used in any *non-commercial* manner without notifying me in advance. Such potential uses include educational, promotional, advertising, and trade, through any medium or format, including, but not limited to, videotape, audiotape, film, photograph, television, radio, digital, internet, theater, or exhibition and may appear on university-sponsored web sites and in publications, promotions, broadcasts, advertisements, posters and theater slides.

I waive any right to inspect or approve the finished recordings and/or images or any additional material that may be used with them. I also understand that I will not be compensated for them.

I release the University and those acting pursuant to its authority from liability for any violation of any personal or proprietary right I may have in connection with such audio and/or visual items or their use.

I hereby freely and voluntarily consent to the use of the aforementioned media materials by the University from this date forward until I revoke this consent in writing.
