I wish to enroll as a Teaching Assistant for the following semester: Fall Spring Summer _____
Year

Course Name: _____

Faculty Name: _____

*** Please note: A student who serves as a Teaching Assistant (TA) under the supervision of a faculty member may earn academic credit for such work for the term or terms concerned, provided that:**

- 1. Students may not earn more than six credits total for serving as a TA during the course of their studies toward a J.D. degree, and such credit will not count toward required classroom hours under the Law School's program of study.**
- 2. Students may not earn academic credit for serving as a TA in more than one course per semester.**
- 3. Students may not earn academic credit for serving as a TA more than once for the same course.**
- 4. Students may not earn more academic credits for serving as a TA than the number of credits of the course for which the service is performed.**
- 5. Grading for the TA's work shall be awarded on a pass/fail basis.**

****A student seeking academic credit for service as a TA must have successfully completed the course for which they will be serving as a TA (although the TA may have taken the course with a different professor). It is in the discretion of the faculty member seeking a TA to determine the number of academic credits to be allocated towards the work of the TA****
